

JERICO JOSHUA D. TARIAO

jerichotariao15@gmail.com | 09059225581

PROFESSIONAL SUMMARY

Web Developer with hands-on experience building responsive web applications using React, Next.js, and TypeScript. Proficient in full-stack development, REST API integration, and database design. Strong attention to detail with a commitment to writing clean, well-documented code and testing features thoroughly before deployment.

TECHNICAL SKILLS

Programming Languages: JavaScript (ES6+), TypeScript, HTML, CSS, SQL, Python, PHP

Frameworks and Libraries: React.js, Next.js, Django REST, Laravel, Material UI, TanStack Query, Zustand

Tools and Platforms: Git, GitLab, Postman, Docker, PostgreSQL, SQLite, MySQL

Additional Skills: REST API Integration, API Testing, Full-Stack Development, Code Documentation

WORK EXPERIENCE

CyTech Development and Operations Inc | Web Developer *December 2025 - March 2026*

- Built responsive frontend components and dashboards with React, Next.js, and TypeScript while ensuring code quality through testing across different component states.
- Integrated frontend with backend REST APIs using TanStack Query, assisted with Python backend tasks, and worked on database-driven features using PostgreSQL to ensure proper data flow.
- Tested API endpoints with Postman, identified and fixed UI display bugs, and documented code patterns following conventions learned from the Storybook component library.
- Collaborated with team members through GitLab code reviews and pull requests to maintain clean, readable code standards.

PROJECTS

CRB STEEL INDUSTRIAL SALES, INC. STOCKS INVENTORY SYSTEM | Web Developer *July 2023 - March 2024*

- Designed and developed a full-stack inventory system with role-based access control and real-time stock tracking.
- Built using HTML, CSS, JavaScript, PHP, and MySQL in a team of five, improving data accuracy and reducing manual process reliance.

EDUCATION

Bachelor of Science in Information Technology

Phinma Cagayan De Oro College | August 2020 - May 2025
